We should be growing in our prayer connection. Our conversations with God should be frequent and fervent. They should be public and private. They must be open and honest.

We should be growing in our worship connection. Our public and private worship times are opportunities to encounter our Living Savior, show our devotion to Him and to commit to our faithfulness to Christ.

We should be growing in our service connection. Remember that service is not spelled: SERVE-US! It is spelled sacrifice, ministry
