From your Associational Missionary

PARTNERSHIPS

Your association is about partnerships. Based on the Biblical concept of cooperation in ministry and missions among the churches, we can be more effective working together than we can by ourselves.

Partnership does not mean that we are all-alike (thinking, looking or acting). It does mean that we can come together to focus on a common mission/project and still maintain our independence and identity.

As our Guatemala '08 team returned, we were able to re-establish our partnership with Pastor Lucas and the congregation at Jutiapa. Your faithfulness in giving and sharing enables us to share funds each month with this congregation to assist in the transportation costs of the church

La Mision - The Snyders spent 3 weeks in Mexico. They visited Arturo Martinez (Baptist Theological Seminary in Mexico City and his small church on the outskirts of the city. They also visited the congregation in Los Reyes at the Chritian Baptist Church where the mission and EBA sent funds for doors, windows and flooring. They are doing great. A visit was also made to Queretaro to see Pablo and Gloria Martinez. 4 new members were baptized and shared in the Lord's Supper with them. Jan's cancer (small spot on liver) has come back, please pray as she begins treatments.

Mountain View - celebrating its 14th Anniversary July 13, with guest speaker Jim Jackson at both AM services. There will be a Covered-dish meal at 5:30 PM

Redland - a team of 17 will be in

with this congregation to assist in the transportation costs of the church members who are conducting home Bible studies in San Cristobal, Juarez and other communities.

As our Michigan team prepares to leave (Ypsilanti project with church-planter Dexter Hardy, July 19-26), you go with us as partners in prayer, support and encouragement. As the Lord leads, Bro Hardy and his folks may within the next year partner with us in Elmore County as we seek to plant an African-American church.

Prison Ministry has long been a heart beat among Elmore County Baptists, because of the mission field the Lord has brought to our door. Pray with us as we seek partnerships with churches and volunteers at Elmore County jail, Tutwiler, Draper and Staton.
